

Clean Waters Award Application

The purpose of the MOWA Clean Waters Award is to reward organizations who demonstrate continuous, voluntary efforts to protect, preserve, and enhance the lakes, rivers, and streams of Michigan.

Eligibility: The Clean Waters Award is intended for non-profit organizations operating within the state of Michigan. However, individuals, local, state, tribal, and federal government organizations may be eligible based on the discretion of the judges.

Who is being nominated:

- Name of the organization:
- Address:
- City:
- State:
- Zip:
- Phone:
- Website:
- Social Media:
- Contact name:
- Contact email:
- Contact phone:

Nominated by:

- Name:
- Phone:
- Email:

Please describe the work performed in the space below. Include supporting material as needed. Entries will be judged based on:

- Impact: The scale and magnitude of the work performed.
- Benefit: How is the watershed better as a result of the work performed?
- Effectiveness: The extent to which the goals of the initiatives were achieved.
- Duration: Was the work continuous and ongoing, or a short-term, single event?
- Enduring: The extent to which the benefits of the work performed will endure.

Send completed application and supporting material to:
